Footnotes:

* Includes all Medicaid enrollees at any time during the calendar year. If more than one MSIS_ID was assigned to an enrollee (either within a state or in a different state), there will be a duplicate record in the table.

† Maintenance Assistance Status – determined using the first digit of the uniform eligibility code; Basis of Eligibility – determined using the second digit of the uniform eligibility code.

▲ Race classifications changed in 2000 to allow for selection of more than one race.

‡ Age is calculated based on the age of the enrollee at the end of the calendar year.

Report Run Date: 12/30/2019
